JANUARY 12 DECEMBER 8 DECEMBER 15	SPECIAL ISSUE: TECHNOLOGY FORECAST	What are the hottest technologies in the electronics industry? This issue gives designers insight into the most compelling technologies for 2012 and beyond.									Distribution Roundtable	LEDs	Communications					2012 International CES DesignCon APEC Show distribution
FEBRUARY 9 JANUARY 5 JANUARY 12		Automotive Electronics	Test & Measurement, Accessories	Test	Digital Modulation Techniques						Update on e-Business	Electromechanical – Switches and Relays	Medical	Interconnects	Interconnects; Switches, Keypads, & Relays; Motors & Motion Control Products	IFD		APEC Mobile World Congress, APEX, Embedded World
MARCH 8 FEBRUARY 2 FEBRUARY 9	ONE POWERFUL ISSUE	The Smart Grid	DC-DC Converters	Power	Power Factor Correction (PFC)						Legislative Update	Connectors	Industrial	Power Sources	Power Sources; Displays & Indicators; Sensors & Transducers	IFD		
MARCH 22 FEBRUARY 23 MARCH 1	MEDICAL EVERYWHERE ISSUE	Medical Electronics	Medical Test	Digital	FLASH Memory for Portable Electronics											IFD		ESC SV
APRIL 5 MARCH 8 MARCH 15		Hybrid DSOs	Robotics	Communications	4G/5G						Global Distribution: South America	Resistors	Alternative Energy	Cabinets & Enclosures	Interconnects; Cabinets, Enclosures & Backplanes; Cooling Products	IFD		
MAY 3 APRIL 5 APRIL 12	ONE BRIGHT ISSUE	LED Lighting	Digital Signage	Embedded	LED Electronics						TOP 50 DISTRIBUTORS Special Report: Training and Education EDS 2012 Preview			Passive Components	Power Sources; Passive Components & Timing Devices; Circuit Protection Devices	IFD		CTIA, EDS, PCIM, Lightfair International
JUNE 7 MAY 10 MAY 17		Top 101 Components	Military Electronics	Analog	Modular Instrumentation						Catalog Distribution	Capacitors	Electric Vehicles	Switches	Interconnects; Switches, Keypads, & Relays; Motors & Motion Control Products	IFD		IMS/MTTS Sensors Expo
JUNE 21 MAY 24 MAY 31	KING SIZE SPECIAL ISSUE: THE STATE OF THE INDUSTRY	What's hot today—and tomorrow? In addition to monitoring growth trends in major vertical markets that make up the electronics universe, we consider global design trends and forecasts and offer designers advice on key markets that will provide the ticket to job growth and opportunity on the horizon.																
JULY 5 JUNE 7 JUNE 14		Electronics at the Olympics	Power Line Communications Technologies	EDA	Batteries						Diversity Sourcing	Circuit Protection Devices	Mil/Aero	Displays	Power Sources; Displays & Indicators; Sensors & Transducers	IFD		Semicon West
AUGUST 9 JULY 12 JULY 19		Top 50 Employers	Public Safety Radio	Digital	FPGAs						Global Distribution: Europe	Top Semiconductor Suppliers	Medical	Interconnects	Interconnects; Cabinets, Enclosures & Backplanes; Cooling Products	IFD		NI Week
SEPTEMBER 6 AUGUST 7 AUGUST 13		Engineering Lifecycle/Salary Survey	MIMO Test	Communications (Wireless)	Microcontroller Networking						Distributor Services	Embedded Systems	Communications			IFD		Intel Developer Forum
SEPTEMBER 20 AUGUST 23 AUGUST 30		Industrial Control	M-to-M Communications	Test	ADCs									Power Sources	Power Sources; Passive Components & Timing Devices; Circuit Protection Devices	IFD		ESC Boston, Association of Old Crows
OCTOBER 4 SEPTEMBER 6 SEPTEMBER 13	KING SIZE SPECIAL ISSUE: IDEAS FOR DESIGN	The annual Ideas for Design issue brings together traditional IFDs submitted by readers, vendor contributed design solutions, and articles by staff and contributors about the state-of-the-art in electronic design including tools, tips and techniques and other ideas that design engineers will find useful when creating and implementing their designs.									Design/Supply Collaboration Special Report: Counterfeit Components ECIA Executive Conference Preview	Top Connector Suppliers				IFD		European Microwave Week
NOVEMBER 8 OCTOBER 4 OCTOBER 11		Consumer Electronics	Analog Design Tools	Analog	Short-Range Wireless Technologies						New Market Opportunities	I/P/E year-end review	Industrial	Motors & Motion Control	Interconnects; Switches, Keypads, & Relays; Motors & Motion Control Products	IFD		Electronica (Electronica Preview Issue)
DECEMBER 6 NOVEMBER 8 NOVEMBER 15	SPECIAL ISSUE: BEST ELECTRONIC DESIGN	In this issue, <i>Electronic Design's</i> Technology Editors pick the best OEM products and technologies they have covered during the year on their respective beats. In addition, readers choose the best Ideas for Design published in the magazine during the previous year. This issue also includes our annual Hall of Fame inductees selected by readers from a list of nominees.									Global Distribution: Asia	Memory	Transportation					IEEE Globecom
